Madison Sherrod

ADMINISTRATIVE PROFESSIONAL | BROKERAGE

Madison Sherrod has joined The Retail Connection as an Administrative Professional, where she'll support day-to-day administrative and brokerage project work for the company's brokers. She brings a solid mix of property management, leasing, and administrative experience, making her a natural fit to keep things running smoothly behind the scenes.

Madison got her start in multifamily leasing with Madera Residential, where she spent three years honing her client service and operations skills. She then moved into an admin role at Independent Buyers' Company before returning to property management at American Homes 4 Rent. She joined as an administrator and didn't stay long; within a year, she transitioned to a Project Manager role in the maintenance department. This move speaks to her initiative and ability to take on more.

Madison earned her Associate's degree in HR Management and a certificate in Game and Simulation Programming. When she's not at the office, you'll find her hosting Bible study with friends, playing video games, catching a theatre performance, or dancing.
