

TRINITY GROVES

The Trinity Groves master plan includes 9 million square feet of construction with no height restrictions, the sky is the limit. Trinity Groves continues to evolve and will soon be home to a best-in-class international boutique hotel, 1000 multi-family residential units, and office buildings with unsurpassed views of downtown Dallas.

Trinity Groves also offers easy access from all major highways, airports and area attractions – including the Central Business District, the Dallas Arts District, the American Airlines Center, Klyde Warren Park and the Trinity River Park. This development is one of the last remaining pieces of real estate in the City of Dallas where you can truly be in the heart of it all and shape the future of this thriving community.

GOLDEN ROD

Goldenrod Cos. has purchased dozens of properties from the developers of the popular Trinity Groves Complex. Most of the nearly 90 properties in the deal are near Singleton Boulevard and include both buildings and vacant sites, county deed records show. More than 35 acres of real estate were included in the sale. One of the vacant blocks Goldenrod acquired at Singleton and Golden Lane was pitched as a potential second headquarters site for Amazon. The previous owners sought zoning to construct a 400-foot Highrise on the block that would be the tallest building on the west side of the Trinity River.
