

Oliver Steinberg

ASSOCIATE | BROKERAGE

Oliver Steinberg is an Associate in the Brokerage department at The Retail Connection. In this role, he supports the team by supplying in depth market analysis and property data research. During Oliver's first year, he has been the lead broker on multiple acquisitions, tenant representation, as well as landlord representation deals. Oliver is happy to be back with TRC's Dallas office after interning in the summers of 2020 and 2022. With a personal background in commercial real estate, Oliver brings a lot of value to the table as a young broker and Dallas native.

Oliver graduated Cum Laude from the College of Charleston with Bachelor of Science Degrees in both Finance and Commercial Real Estate Finance with a Minor in Jewish Studies. During college, he served as President of the Interfraternity Council, was the lead analyst of the Real Estate Sector for the Business School's Investment Program, became the first ever student to join the Business School's Board of Governors, and taught the 5th grade class at KKBE Sunday school. Upon graduation, he received membership to the Alpha Sigma Gamma International Real Estate Society.

Outside of the office, Oliver serves on the JNF Dallas Futures board. You can always catch him on the golf course or supporting his favorite Dallas sports teams.
