Audra Holt

ADMINISTRATIVE ASSOCIATE I ACCOUNTING + PROPERTY MANAGEMENT

Audra Holt is a native of Ashdown, Arkansas but recently relocated to the Dallas area. She earned a BS degree in Computer Science from the University of Arkansas at Pine Bluff.

Audra spent over 20 years doing networking, programming, database design, webpage design and computer repair. She mainly used these skills while working for the federal government, Shriner's Hospital and a termite & pest control company.

For the last 10 years she switched from the IT roles and began working in the medical field managing an outpatient surgery center and a gastro clinic. For a time she was also the administrator for a retirement lodge where she humbly enjoyed helping care for those who could not fully care for themselves.

In her personal life, she was happily married to her college sweetheart, Rodney, for over 14 years until his sudden passing in 2010. Since then Audra has traveled and spoken extensively with her own ministry focusing on marriage and healthy relationships based on biblical principles.

Audra has a passion for many things but she most enjoys being with her family and church. In her spare time she enjoys singing, teaching, traveling, site-seeing, brain teasers, jigsaw puzzles and good old-fashioned family game nights.
